Hat and Shirt Order Form

The Shirts are Pocket T-Shirts with a good quality polyester/cotton blend (very little shrinkage) in Heather Grey with the ships patch on the back and the ships name over the pocket in front. We have Large, X-Large and XX-Large. The hats are Royal Blue and have the vented back with adjustable Velcro in the back. These are very nice shirts and hats that will last after you wash them.

We have Coffee Cups with the Ships Patch on one side and a photo of the ship on the other side. These are full color and very nice.

Several shipmates have asked if there were any Ships Patches. We have them now along with the Shoulder Patch. These patches are full color 4", 100% embroidered patches and the shoulder patch is per Navy regulations. Please see all the photos.
